

SELFIE for work-based learning

a tool to support VET schools and companies in the digital age

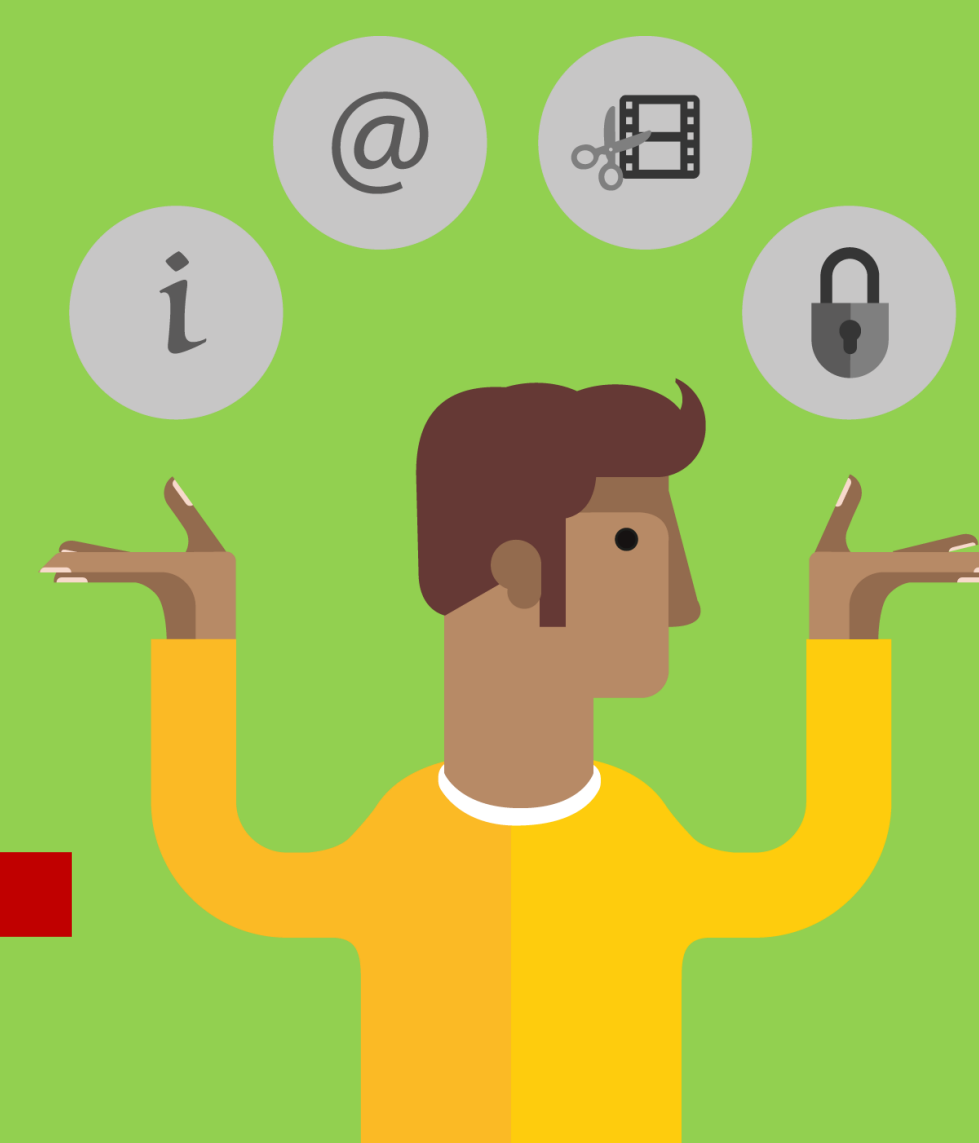

WHY ARE DIGITAL TECHNOLOGIES IMPORTANT FOR LEARNING?

43% of Europeans lack basic **digital skills**

Digital tech is part of our everyday lives, and should be an essential **part of our learning practices**

VET students attending VET schools in Europe need to **develop their skills** for the digital society

90% of future jobs will require **digital skills**

VET schools & companies in Europe need to prepare their students for the **digital society**

Teachers & trainers in Europe should make the most of technology to **support their pedagogical practice**

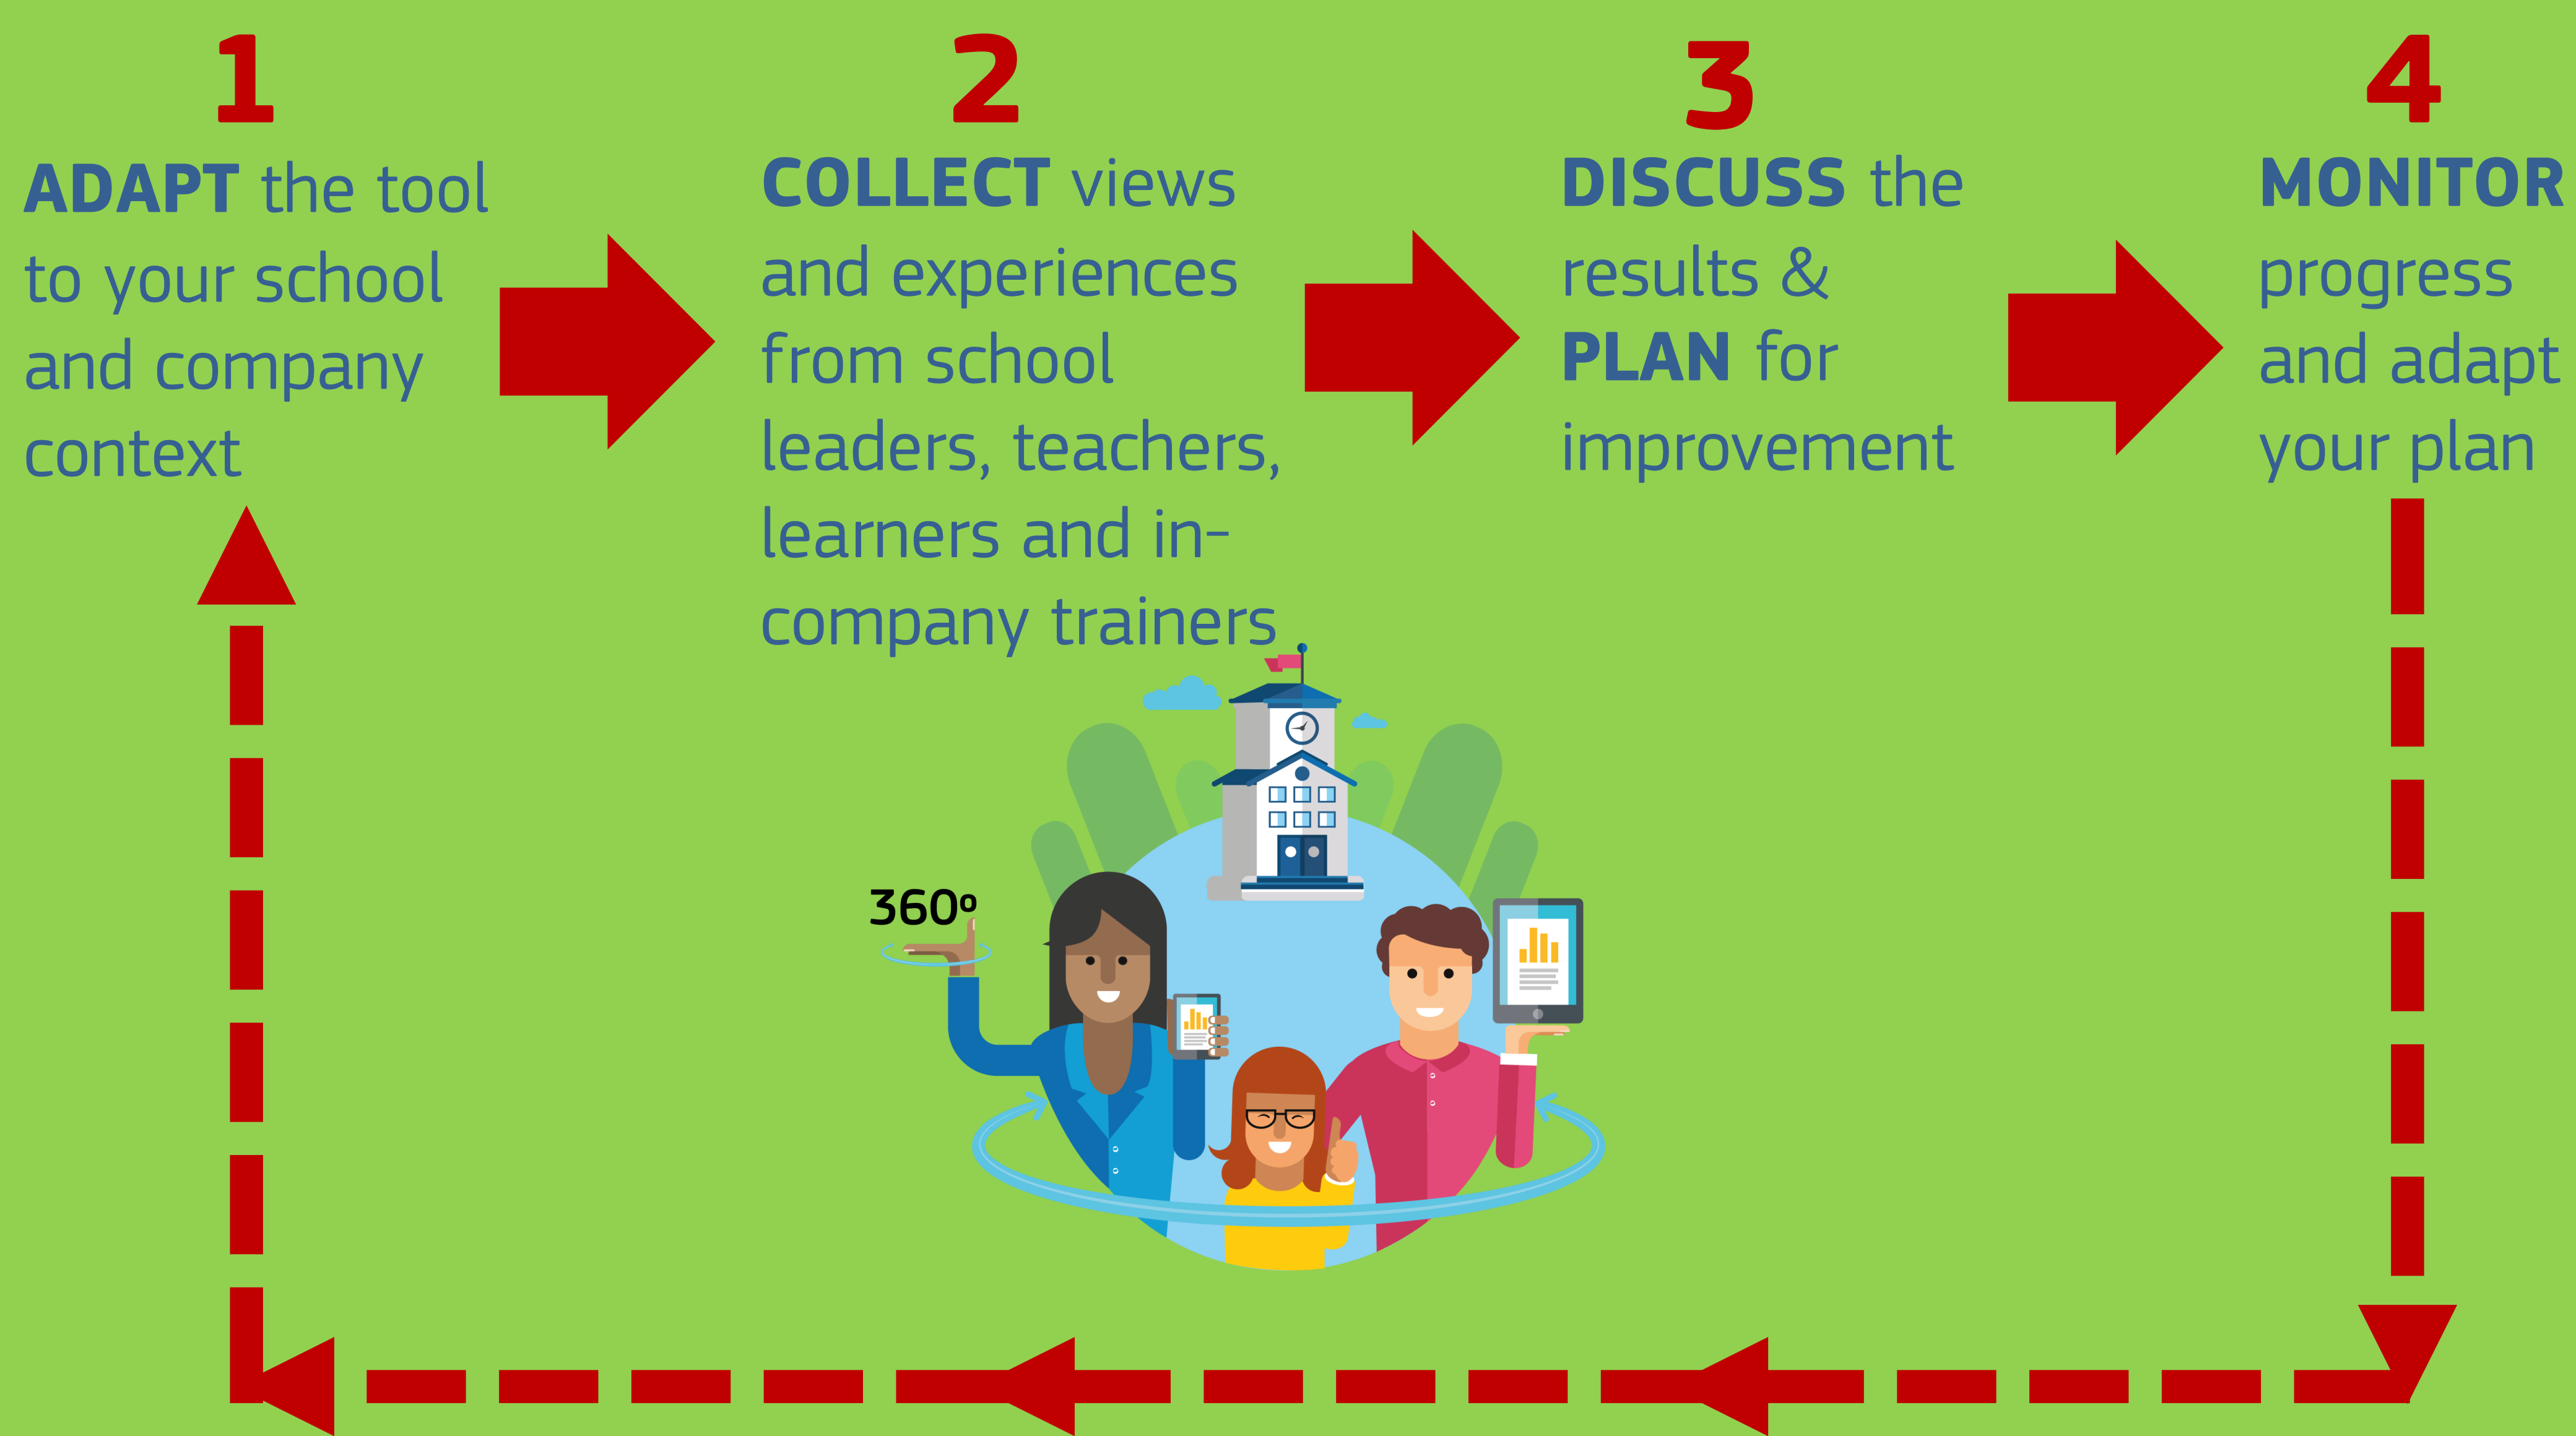

Integrating digital technologies in learning is complex and requires VET schools and companies to take a **360° approach**

That's why we have developed
SELFIE for Work-Based Learning (WBL)

WHAT IS SELFIE WBL ? - HOW DOES SELFIE WBL WORK ?

SELFIE WBL **takes a snapshot** of the VET school's and company's use of digital technology for training. It's **online** and **anonymous**.

4 questionnaires

"How is technology used in the VET school and company?" SELFIE **gathers — anonymously —** the views of students, teachers, school leaders and in-company trainers

a tailor-made report

A snapshot of the **school's and company's strengths and weaknesses** in their use of technology for learning

...for 8 areas

SELFIE looks at **8 key areas of digital education**

WHAT SELFIE WBL IS NOT

➡ It does NOT assess schools nor employers

➡ It is NOT just for digitally-advanced schools and companies: it's for all

-  Leadership
-  Infrastructure & equipment
-  Professional development
-  Implementation in the classroom
-  Support & resources
-  Assessment practices
-  Students digital competence
-  Network & collaboration

WHY USE SELFIE WBL? WHO IS BEHIND SELFIE WBL?

SELFIE supports **VET schools and companies** to use the many opportunities that digital technologies offer:

➡ ensure **continuity of WBL** in times of COVID-19 crisis by allowing remote learning and working

➡ facilitate **coordination** among the VET school, the company and the student

➡ improve learning in both school and company and improve mentoring and guidance

➡ lower training costs
